

Promising Presence Company

Job Posting

Promising Presence Company believes in finding solutions, driving change, and creating the best possible experience for the leaders and stakeholders we support. We love technology that makes us better at what we do. We are looking for someone to join our Board of Directors and help coordinate and prepare for upcoming new business partnerships. In this role, you will have an opportunity to set the direction of the business and drive critical partnerships that allow us to increase our business reach. If that sounds like a good fit to you and you have supported public Boards and their Committees, Board material preparation and review, and public company corporate governance, we want to talk to you.

This role works closely with teams across Promising Presence Company, including our Board members, new business, and marketing teams. We're looking for someone curious, takes great pride in their work, always asks "how can we improve," and thrives on winning together.

We believe diversity and inclusion among our teammates produce better results and are critical to our success as a global company. We are committed to recruiting, developing, and retaining the most talented people from a diverse candidate pool.

How You Will Lead

- Attend the quarterly Advisory Board
- Help expand the exposure of Promising Presence Company to your networks and make and enhance relevant connections.
- Provide unbiased insights and ideas from an outside point of view (not involved in the operation of the business) based on your industry experience
- Positively promote the work of the organization and advocate for new business opportunities
- Identifying and executing opportunities for the team to improve efficiency, scalability, and consistency

About Promising Presence Company

Promising Presence Company focuses on the business development needs of mid-size to large corporations. Our team focuses on addressing the business needs of an enterprise by leveraging human-centered design principles to get the root of the business needs. We identify opportunities for companies to enhance their sustainable business practices, address the well-being needs of its customers and associates, and identify opportunities to become more efficient and profitable. More importantly, the team is filled with life-learners and helpers, who drive each other to become better and live out their life purpose while having fun.

Location

- This is a virtual/remote opportunity which means you don't have to deal with traffic or sitting in a stuffy office! You can work in a comfortable environment that provides a reliable and secure internet connection so that you can attend meetings and video conferences.
